

PRE LOVED COSTUME SALE

FRIDAY 20TH OCTOBER '23

After school at the back playground

We are collecting any old / outgrown fancy dress costumes and giving them a second chance! Come along to the preloved costume sale and have the chance to buy 'new' to you costumes for a small donation.

Let's save these costumes going to landfill and save a small fortune on 'new' costumes!

You can drop off the costumes at the office between Monday 16th and Thursday 19th at drop off / pick up times

Around 7 million Halloween costumes are thrown away in the UK each year. Most of these are made from polyester or similar plastic fibres, and end up in landfill or incinerated. Let's do our bit to Reduce, Reuse, Recycle, buy Preloved and save money!
