HEADTEACHER'S WEEKLY NEWSLETTER
24th November 2023

Dear Parents/Carers and Families

Wow, what a week!

We've had yet another brilliant week here at Hartford, with lots of sports-related activity and a healthy-eating focus, plus visits and assemblies too! Please read on to see all the exciting things that have been taking place this week at Hartford Primary School.

Healthy Living Week

Morning Zumba and Golden Mile

To celebrate Healthy Living Week, Mr Cairns and Mrs Dickenson led Zumba sessions on the playground at 8.45am for any of the children (and staff!) who wanted to join in. The playground has been buzzing with excitement and there have been some excellent moves on display! It was a lovely way to begin a very active set of days, with the rest of the children taking part in a golden mile before beginning their school day.

We have really enjoyed hearing all the positive feedback from parents, carers, and children – and seeing your videos and pictures – and we know how much everyone has enjoyed the Zumba in particular! We know that many of you want to do this more often. Whilst we can't accommodate daily Zumba long-term, we have decided that we'd like to do some further Zumba mornings on a pop-up basis in the new year. Watch this space!

Healthy Living Assembly and Activities

As part of Healthy Living Week, Mr Cairns and the School Sports Organising Crew (SSOC) led an assembly for the children all about healthy eating and choices. This introduced the rest of the day's activities, which included extra fitness sessions for Early Years and Key Stage 1, a healthy food-tasting session for Key Stage 2 and a series of lunchtime activities organised and delivered by the SSOC. The children have also enthusiastically participated in the SSOC's Fruit and Veg Challenge – bringing in fresh fruit and veg as their daily snack to win points for their class in order to win a turn on the Ninja Warrior course!

These events take a lot of planning and organisation in order to run smoothly – a huge thanks goes to Mr Cairns and the SSOC for their care, attention, and impeccable organisational skills. I know everyone agrees that the week has been a huge success.

Year 1 Visit to Reaseheath Mini Zoo

On Monday and Tuesday, 1JD and 1CW visited Reaseheath Mini Zoo to consolidate their learning from their Science topic on Animals. The children got to take part in a tour of the zoo, to play some games and learn some fun animal facts. They also took part in a workshop all about animal classification, testing their knowledge on herbivores, omnivores, and carnivores! As always, the children behaved beautifully and were a credit to our school on both days. A huge thank you goes to the Year 1 team for putting together such a fabulous two days.

Year 2 Wings and Things Visit

On Wednesday, the brilliant Wings and Things visited school to meet our Year 2 children, bringing along some beautiful birds! The children were fascinated by the animals and really enjoyed learning all about their habitats, diets, behaviours and how to care for their environment.

Key Stage 2 Visit to The New Vic Theatre

Thursday afternoon saw the arrival of our long-awaited trip to see The Nutcracker at The New Vic Theatre in Newcastle-Under-Lyme – and what a way to kick off the Christmas period! It was a busy afternoon with lots of travel, but the children were excellent, and everybody had a fantastic time at the show. The indoor snow fall, and the Mouse Queen's performance were particular highlights! The performance was magical, and everybody enjoyed it, staff included – a huge thank you to Mr Harris and all attending staff for facilitating such a wonderful visit.

Early Years Church Visit

Next Tuesday 28th November, our Early Years classes are heading to St. John's church in Hartford. This is the first of our Christmas events and we are very excited to begin! Please note you will need to provide your consent via ParentPay for your child to attend – this will go live later this afternoon.
